

**Linda Elliott CIPFA, MIIA, Internal Audit Senior Manager, KPMG**

Linda has worked at KPMG since December 2004. She is a Senior Manager who specialises in internal audit within the Infrastructure, Government and Healthcare Audit and Financial Advisory Practice. Linda has over 12 years internal audit experience at a range of clients including housing, education and the NHS.

Recently she was part of the KPMG team involved in the Annual Viability Report review at the HCA. In her previous job Linda was a member of the panel at the Housing Corporation for setting the approach and delivering the pilot audits for the PI validation.

Linda is a member of the Board and Audit Committee at a housing association in the north east and has recently sat on the remuneration panel and re-financing panel at the housing association. She has also been involved in organising the KPMG internal Social Housing conference for the past two years, and coordinates training for the internal audit team across Leeds and Manchester.
