

Logan Rowan, Manager, Infrastructure, Government and Healthcare, KPMG LLP

Logan is a Manager within KPMG's specialist social housing team based in London. He manages the internal audit contracts across a broad range of registered providers, from large Groups within the G15 providers in London, to smaller organisations in the London and South East regions.

Logan also undertakes maximum assurance and financial due diligence projects, drawing upon his previous experience of working within KPMG's Transaction Services team.

Logan has also worked in the sector having spent a year at one of KPMG's G15 clients working within the in-house internal audit team.
